

1. Air 1 radio station serves my family as a positive & edifying aspect in our lives.
 2. If Air 1 were to be displaced by an LPFM broadcaster providing other programming would be extremely disheartening to my family.
 3. I think the service provided by Air 1 is in the public interest because they are a positive influence to families all over the country. Please do not interfere with the signal of Air 1.
- Thank you, Kathi Green
